Living high

The goal of the **Biscayne Beach Residences**, 2900 NE Seventh Ave., is to bring the chic bohemian style of the Hamptons to Miami's Edgewater neighborhood. We'll call this \$8.5 million penthouse on the 51st floor "upscale bohemian." The 10,663-square-foot penthouse designed by **Thoma Filicia's Sedgwick & Brattle** includes a private rooftop deck, four bedrooms, five bathrooms and two half-baths, a den and a study. The penthouse features 14-foot ceilings, a private rooftop pool, summer kitchen and panoramic views of Biscayne Bay, Miami Beach and the downtown skyline. The listing agent is **Karen Elmir**, CEO of **Cervera Realty's The Elmir Group**.
